On transfer of an entitled employee, his eligible dependants will be entitled to medical treatment at the declared home town of the employee or in place of last posting or in such other place as may be approved by the Controlling Officer, up to six months from the date he hands over charge at the previous station. Medical reimbursement will be limited to the ceilings laid down in Chapter V.
1. Under special circumstances, when suitable treatment is not available in the hospital of the Company, an Authorised Medical Attendant may refer a case to a private specialist/clinic/nursing home/hospital, provided he certifies the non-availability of treatment and obtains prior permission of the Chief Medical Officer concerned. If it is not possible to obtain prior permission due to urgency, it should be reported to CMO within 48 hours for his post-facto-approval.

2. If there is an arrangement of the Company with any private specialist/clinic, etc., for treatment, the AMA should refer the case to such specialists/clinics, etc., possibility of such reference to nearby Government/CMWO hospital should also be explored.

3. In case of such reference, the patient will attend clinic/hospital where the specialist is attached to, except on emergencies when the specialist may be called at the patient’s residence, in which case, a certificate stating the nature of illness and inability of the patient to attend the Doctor’s clinic is to be obtained from the Authorised Medical Attendant.

4. Diseases which require special and continued treatment for a long time like heart disease, T.B., Cancer, Leprosy, etc., special arrangement for treatment may be made with approval of the Chief Medical Officer concerned.

5. In all cases referred to above, reimbursement will be made as per limitations laid down in Chapter V.
CHAPTER V

MEDICAL REIMBURSEMENT IN RESPECT OF ENTITLED EMPLOYEES AND HIS ELIGIBLE FAMILY MEMBERS

1. Where an entitled employee of the Company and/or his entitled family member is treated in a hospital/clinic/nursing home not established by the Company and required to pay charges for such treatment, or where an employee is authorised by the Medical Attendant to purchase medicines/vaccine etc. from outside and pay for investigation, he will be reimbursed the medicine expenses to the extent specified in the schedule hereunder.

2. An entitled employee and/or his eligible dependant receiving medical attendance and treatment as an in-patient, will be entitled to reimbursement for accommodation expenses in the hospital according to schedule in this chapter. If accommodation of the entitled class is not available, accommodation of higher class may be allowed provided the Medical Superintendent of the hospital certifies regarding the non-availability of appropriate class of accommodation at the time of admission and that admission could not be delayed without danger to the health of the patient. As far as possible, the patient should be moved to the appropriate class of accommodation as soon as available.

3. Continuation of treatment by a registered private practitioner or specialist shall be limited to a period of 30 days and a total of 8 consultations (inclusive of consultation with the general practitioner and specialist) for a single spell of illness. After which period the patient is to be examined by a Company's Doctor who will advise further course of action, wherever Company's Doctor is available at the station; otherwise the employee will get a report from the AMA about the disease and the treatment and submit the same to CMO and obtain permission to continue further treatment. In case further consultations or visits are required, approval of the CMO for such continuation will be required.

Physiotherapy

4. Massage treatment by a trained masseur or a masseur with a Government recognised certificate, electrotherapy, (Diathermy, Ultrasonic, etc.) and all other forms of physiotherapy are reimbursable as per rates in the schedule hereunder subject to a limit of 20 sittings. In special cases, where prolonged physiotherapy is considered essential, the expenses for more than 20 sittings will be reimbursable provided prior approval of CMO is obtained.

Charges for Special Nursing and Attendants

5. Charges for special nursing and attendants are not normally admissible. However, it may be allowed if special Nurse/Attendant is engaged as per specific advice in writing (as per Form I, Annexure I) of the Medical Superintendent/Specialist of the hospital/nursing home where the patient is being treated in that the services of special nurse and/or attendant were essential. Special nurse and/or attendant will be allowed for a period of ten days. If it is necessary for more than ten days, permission of CMO will be necessary. The actual expenses subject to the limitation as per Schedule under this Rule will be reimbursed. Reimbursement of expenditure for special nurse/attendant will not be admissible for treatment at residence.

Operation Charges

6. Actual expenses for operation as incurred in a Government hospital will be reimbursed. In case the operation is undergone in a private hospital/nursing home, actual expenditure may be reimbursed, subject to the callings laid down in the Schedule of this Chapter.
7. Sales Tax, paid by the employees while purchasing medicines from the market, is reimbursable but packing and forwarding charges for such purchases are not reimbursable.

**SCHEDULE OF CHARGES**

The charges for medical reimbursement in cases treated by private practitioners and in private institutions will be subject to the ceilings as shown below. Rates indicated in Group I relate to Delhi, Dhanbad, Ranchi, Nagpur, Kanpur, Asansol and all State Capitals. Group II relates to all other places. Pre-employment Medical Examination

1. Pre-employment medical examination will be done for all new appointees either by a Company Medical Officer or by a Medical Board consisting of company's Medical Officers formed as per orders of CMO.

Medical examination will be done as per standards laid down below:

A standard form should be used to record the findings. (vide Annexure Form No. III).
The Form No. IV (vide Annexure) requires to be filled up by the candidate.

Physical standard for pre-employment medical examination

The minimum physical standard for the above is as under:

A. Minimum Physical Standard for all Classes of Employees Directly Connected with Coal Mining (Mining, Geological, Survey, Mechanical, Electrical, Nics, Open Cast, Personnel, Mining Trainees, Authorised Drivers and Watch and Ward Employees, etc.)

(i) A candidate must be in sound mental and physical health and free from any physical defect likely to interfere with the efficient performance of his duty. He should not be grossly over-weight or under-weight.

(ii) Minimum standard of height may be relaxed to 60'' in case of watch and ward candidates belonging to races such as Gorkhas, Garhwalis and Assamese Tribals etc. Height must be taken without shoes.

(iii) Hearing must be good and there should be no progressive disease affecting hearing.

(iv) Speech must be without impediment, excluding stammering of moderate degree.

(v) Chest measurement: The girth of the chest in full expiration should be recorded to determine the range of expansion (between the minimum and maximum). In all doubtful cases the functional capacity of the lungs may be tested.

In the examination of candidates the following table of correlation of height and chest girth will be applied.

<table>
<thead>
<tr>
<th>Height</th>
<th>Chest Measurement</th>
</tr>
